TECHNICAL SPECIFICATION

| PROPERTIES                                    | SPECIFIED VALUES AS PER IS:2046-1995  | PASTEL CONFORMS |
|---|---------------------------------------|-----------------|
| Resistance to surface Wear                    | 350 (revolution)                      | ✓               |
| Resistance to immersion in boiling water      |                                       |                 |
| - Mass increase (%)                           | 10.0 Max                              | ✓               |
| - Thickness increase                          | 11.8 Max                              | ✓               |
| Resistance to dry heat 180 degrees C          | Not worse than 4                      | ✓               |
| Dimensional stability at deviated temperature |                                       |                 |
| - Longitudinal (%)                            | 0.5 Max.                              | ✓               |
| - Transverse (%)                              | 0.9 Max.                              | ✓               |
| Dimensional stability At 20 degrees C         |                                       |                 |
| - Longitudinal (%)                            | 0.375 Max.                            | ✓               |
| - Transverse (%)                              | 0.60 Max.                             | ✓               |
| Resistance to impact by small diameter ball   | 20N Min.                              | ✓               |
| Resistance to cracking                        | Not worse than 4                      | ✓               |
| Resistance to scratching                      | 2N Min.                               | ✓               |
| Resistance to staining                        | Not worse than 5                      | ✓               |
| Resistance to colour change (wool standards)  |                                       |                 |
| - In Xenon arc light                          | Not worse than 6                      | ✓               |
| - In enclosed Carbon arc light                | Not worse than 5                      | ✓               |
| Resistance to cigarette burns                 | Not worse than 3                      | ✓               |
| Resistance to steam                           | Not worse than 4                      | ✓               |
| Appearance                                    | Should be free from foreign particles | ✓               |

|                        |  |
|------------------------|--|
| Product:               | High Pressure Decorative Laminated sheets  |
| Size:                  | 2440mm x 1220mm (8'x4')  |
| Product conformity to: | British European Standard – BS EN 438, American Nema ID-3, BIS (Bureau of Indian Standard) is 2046.  |
| Limited Warranty:      | PASTEL warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specification. This warranty shall be limited only to the original buyer for a period of one (1) year from the date of dispatch by PASTEL. It excludes damage resulting from accidents, abuse or lack of care, improper use and/ or any alternation. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. PASTEL Laminates are used for various applications, without the possibility of control over the manufacturing of the finished product. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity. |
| Care & Maintenance:    | Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particles or excess soda.   |
| Note:                  | Samples presented are indicative of colour, pattern and surface finish but not actual thickness. For actual thickness of product, please check the sample attached above or check our actual products with our distributors/ dealers/ stock point or PASTEL Gallery.   |

ONE TOUCH PASTEL shades and REHAU Edgeband may have colour variation due to differant product and different batch group. so kindly check final product sample before application.

PR = PREMIUM PRODUCT.
